High Performance Junior Tennis Academy **Summer Challenger Session 2008:**

******At the conclusion of the current High Performance Junior Academy session, we will have our first annual Summer Challenger Session.******

During this three week challenger session all academy students and future academy students will be able to play matches to establish their rankings on the Academy Ladder. During the challenge matches there will be match charting, video taping, and after match analysis information available to all the participants. We will also be offering days where our focus will be on conditioning and footwork.....samples of the fitness program that will be used this coming fall, in all academies, will be presented.

ALL students are encouraged to participate.....this is everyone's opportunity to demonstrate their improvements and commitment to continue to improve.
